

## **Sample Thank You Note for Arthritis 101**

Dear NAME OF STAFFER,

Thank you for attending the Arthritis 101 briefing. Arthritis is a serious issue and I hope you learned more about this disease that affects my daily life. These issues will continue to be a priority next year and I look forward to working with you in the future. (FEEL FREE TO ADD ONE OR TWO SENTENCES ABOUT YOUR PERSONAL STORY). I'm really thankful there is a strong Congressional Arthritis Caucus to keep these issues front and center in Congress.

Thank you again for taking the time to attend the briefing,
