

DOES YOUR DOC ROCK!?

My Doc Rocks! is a way for the **Arthritis Foundation** to help you honor the relationship you've built with your doctor or other healthcare professional. This campaign is happening all over the U.S. and it's giving patients an opportunity to have their doctor recognized at their local Arthritis Walk for all his/her great work.

If you would like for all of Davidson and Williamson County to know that **YOUR DOC ROCKS**, click on the link below and submit your doctor's name for a chance to be the # 1 Rockin' Doc at the Nashville Arthritis Walk on
