Dear Families:

Thank you for your interest in Camp JRA (Juveniles Reaching Achievement)! For many young people with juvenile arthritis (JA) and other rheumatic diseases, attending summer camp with kids who share their challenges and experiences can be life changing.

Camp JRA offers kids with JA the chance to have fun, make friends and learn to take control of their disease. Our camp provides quality care, allowing kids to participate in activities that are adapted to their abilities while fostering self-acceptance, self-esteem and independence. Camp takes place from Sunday, July 19 – Friday, July 24, 2015.

Please read through this packet, which contains answers to questions you may have about Camp JRA as well as the following forms:

- Application
- Medical forms
- Scholarship application
- Application fee payment form

To apply for Camp JRA, please complete all forms and mail them to us with your \$50 application fee by March 27, 2015. You will be notified of whether we can offer your child a spot at Camp JRA by April 17. Full payment will be due on May 15, 2015.

Only completed applications will be considered (incomplete forms will be returned). Also, please note that campers must be seen by their rheumatologist within a six-month period prior to attending Camp JRA.

We hope we have the opportunity to host your child at Camp JRA this summer! Please feel free to contact me if you have any questions.

Regards,

Felice Kelem, Regional Director
Arthritis Foundation, Eastern Pennsylvania Chapter

General Information on Camp JRA

Camp JRA (Juveniles Reaching Achievement) is a place, an attitude, and an adventure for children with arthritis and other rheumatic diseases. Camp JRA is a six-day residential camping experience for children ages 8 to 18 that provides a safe, supportive community and opportunities for independence, personal growth, and just being kids!

Camp activities challenge kids to expand their social skills, stretch their abilities and make friends while having fun. Daily health education games help campers learn more about the disease and its treatment, and improve their self-care. Previous camp activities have included:

Arts and Crafts	Talent Show	Color Wars
Ropes Course	Drama	Soccer
Climbing Wall	Yoga	Education Games
Campfire	Kangaroo Court	Field Sports
Fishing	Boating	Dance
Archery	Pool	Karaoke
Karate	Carnival Night	Zumba
Basketball	Water Play	Wiffle Ball

Our goal is to provide a meaningful camping experience in a safe, healthy environment for all of our campers. To aid us in accomplishing this goal, we require completed medical background information on all applicants. You will find these forms in this packet. This information is necessary to establish the appropriateness of the camp for the applicant, determine staffing levels and evaluate accommodation requirements.

Camp Staff

Camp JRA is staffed by a full-time camp director, a full-time pediatric rheumatologist, pediatric rheumatology nurses, cabin counselors, and activity directors.

All staff members are carefully screened. Background checks are performed on each staff member, counselors and counselors-in-training (CITs) and references are required. Many staff members are veterans of past summer camps for children with chronic health conditions. All staff members are thoroughly trained to provide personalized care and support for all campers.

Qualified medical personnel from area pediatric rheumatology centers staff Camp JRA's state-of-the-art medical facility 24 hours a day. Doctors, nurses and social workers volunteer at Camp JRA from partner groups that include the **Children's Hospital of Philadelphia, Penn State Hershey Children's Hospital, Children's Hospital of Pittsburgh, St. Christopher's Hospital for Children, and others.**

Location

Camp JRA is held at Camp Victory in Millville, PA, approximately 10 miles from Bloomsburg, PA, and 2½ hours northwest of Philadelphia. Camp Victory is a residential campsite designed specifically for children with chronic illnesses and physical disabilities. All camp buildings and activity sites are wheelchair accessible and adapted for special needs.

Facilities include an arts and crafts pavilion, pool, fishing and boating pond, wheelchair-accessible tree house, two dining halls, bathhouse, soccer and sports fields, climbing wall, low ropes course, air-conditioned cabins and a full service medical facility (the “Med Shed”). There are approximately 8 to 12 campers per cabin, all within the same age group, as well as 3 to 4 cabin counselors and a counselor-in-training.

Cost of Camp

The fee for camp is **\$350**, which includes a **\$50 non-refundable application fee** due with the camp application. The remaining **\$300 payment is due by May 15, 2015**.

Camp Scholarships

Full and partial financial assistance is available for Camp JRA. The Arthritis Foundation works year-round to raise funds to support Camp JRA scholarships. We ask that families contribute as much as they can toward the camp fees. (Note, the actual cost for Camp JRA is approximately \$750 per camper. However, we only request that each family contribute a total of \$350, which includes the \$50 application fee and \$300 final payment.) A financial assistance application is included in this packet (see pages 26-27).

Counselors-in-Training

Campers age 16 and older or entering the 11th grade who have a diagnosis of arthritis are eligible to apply for Camp JRA's Counselor-In-Training (CIT) program. CITs help younger campers with activities and are expected to act as good role models. CIT applications must be requested and are **due by March 1, 2015**. To request a CIT application, contact Sheila Brown at (267) 238-9729 or SBrown@arthritis.org.

Other Questions You May Have About Camp JRA

Medical Information: All medical forms (pages 11-20) must be completed for your application to be considered. This includes forms for parents to complete and forms for your child's rheumatologist (pages 19-20).

Insurance: All campers are required to show proof of medical coverage. Coverage must be in effect for the entire duration of the camp session. Please include your policy and group number in the application (page 12).

Food Allergies: The camp kitchen is familiar with customizing menus and working with campers with special dietary needs. In some cases, parents may need to provide their own food products for campers who have special dietary issues. Complete pages 15-17 if your child has food allergies.

Visitors: Parents, family members and friends are welcome to visit on opening and closing days. Visitors at other times are not permitted since this can be disruptive to the campers' routine.

Transportation: Campers' families are responsible for their own transportation to and from Camp Victory. However, the Arthritis Foundation offers free bus transportation to campers, to and from **Philadelphia** and **Pittsburgh, PA**. For information about bus transportation, contact Sheila Brown at (267) 238-9729.

Criteria for Admission to Camp JRA

Children between the ages of 8 and 18 who have arthritis or other rheumatic diseases (see list below) who meet the criteria for camp admission are eligible to apply. Rheumatic diseases can include:

Juvenile Idiopathic (Rheumatoid) Arthritis	Raynaud's Phenomenon
Systemic Lupus Erythematosus (SLE)	Sjogren's Syndrome
Ankylosing Spondylitis	Panniculitis
Dermatomyositis	Erythema Nodosum
Mixed Connective Tissue Disease (MCTD)	Enthesitis
Psoriatic Arthritis	Henoch-Schonlein purpura (HSP)
Scleroderma	Polyarteritis nodosa
Spondyloarthropathy	Kawasaki disease
Enteropathic Arthritis	Ehlers-Danlos Syndrome
Myositis	Sarcoidosis
Vasculitis	Behcet's Disease
Reiter's Syndrome	

1. Applicants must provide all required medical information to determine the suitability of a camper's admission to camp. The camp medical staff will review all medical information to determine eligibility.
2. Applicants must have been seen by a rheumatologist regarding their rheumatic disease within the past six months (prior to camp).
3. 80% of camper spots are reserved for Pennsylvania residents. Remaining spots are held for campers who live out of state.
4. Applicants must be between the ages of 8 and 18.
5. Applicants' admission to camp will be reviewed on a first-come, first-served basis. Therefore, we encourage you to send in your completed application as early as possible.
6. Applicants will not be turned down due to an inability to pay all or part of the camp fee. Full and partial scholarships are available for camper families in need of financial assistance. (See scholarship application on pages 26-27).
7. Eligibility is based, in part, upon the potential benefits of the camper's experience. Therefore, families are asked to describe their child's needs and why they would like their child to attend Camp JRA.
8. Applicants will be accepted without regard to race, religion, gender, or ethnic background.

Camp JRA Application Process and Important Deadlines

Does your child have the ability to sleep on a top bunk in a bunk bed? (circle one) Yes No

Please tell us why you would like your child to attend Camp JRA. (minimum of 5 sentences; you may attach an additional page)

Please describe an average day (awakening until bed) when he/she may be having difficulties from his/her condition (i.e. significant morning stiffness, painful joints, fatigue, a "bad day"). Please include special treatments or procedures that are done to help or lessen the symptoms (i.e. heating pad, ice, rest, massage, medications, bath, etc.)

Please provide any other information about your child and his/her personality you feel we should know to help him/her adjust to camp and have a fun and safe experience (use additional paper if necessary):

Please describe any physical therapy that your child currently engages in on a daily basis. List any types of exercises, or if he/she needs additional time to get ready in the morning, or at bed time. Also list any types of assistance he/she needs (i.e. putting on socks/shoes, brushing/styling hair, etc.)

Please tell us how your child's illness affects his/her ability to function in daily life. This can include using assistive devices, longer time getting ready in the morning, needing more sleep, etc.

If your child could learn one new thing at Camp JRA, what would you like it to be?

Please tell us about some of your child's coping skills.

What tools do you think your child needs to be able to monitor his/her disease independently?

MEDICAL INFORMATION

Please read this note before completing attached medical forms.

- All medical forms must be filled out completely even if your child has previously attended Camp JRA. It is very important that we know the current status of your child's illness, what a typical day is like with your child, and how you handle symptom flares and giving medications.
- At camp check-in, nurses from the Camp Medical Staff will ensure that all medication information is correct and that no other changes need to be made to campers' forms.
- It is very important that the medications that your child brings to camp match what your child's doctor has prescribed. **If your child does not bring all prescribed medications to camp or if there is a discrepancy between the medications your child's doctor has prescribed and those brought to camp, your child may be sent home.**
- Several of the forms need to be signed and **witnessed**. They do **not** need to be notarized. A neighbor or friend may act as a witness.
- In the event of a medical emergency, you will be called and your child will be taken to Geisinger Medical Center in nearby Danville, PA, or Bloomsburg Hospital in Bloomsburg, PA. One of the attached forms gives the emergency room staff at Geisinger and Bloomsburg permission to treat your child.
- We recommend that you photocopy these medical forms after you fill them out in the event they are lost in the mail. Mail the originals to the Arthritis Foundation.
