- **New-**When you start your application you will enter the parent/guardian information first. Then you start adding the rest of the family. Retreats are for the family household, we do allow Grandparents to attend retreats with the family as well. We do ask that you do not include Aunts, Uncles, or cousins even if they live with you. Summer camp is just for the camper with the diagnosis.
- Once the online application has been completed you will receive an email with an attachment. The attached medical forms must be returned to us before we can consider your application. The parent/guardian completes the 'Craniofacial' form. The Doctor completes the 'Camp Medical'. Completing an application does not mean you have been accepted. All applications are reviewed; you will be notified on your status at timeline indicated below.
 - Retreats are always accepted one month prior to the start date.
 - Summer sessions acceptance is as follows: if you the week you are applying for is in weeks 1 thru 4, you will be notified in May, weeks 5-8 will be notified in June.

You must apply each time you would like to attend. If you need a hard copy please contact Camper Recruitment Coordinator-Mary Parrish at 352.483.4111.
