

Team Up for a Cure

Why start a team?

By creating a team and fundraising you're not only raising awareness for the 50 million people and 300,000 children who live with the daily pain of arthritis, you're also helping the Arthritis Foundation get closer to finding a cure! There are no requirements for team sizes and you may sign up as many people as you want! Team members may include friends, family, co-workers— anyone you can think of who wants to support a great cause!

What are the benefits of forming a team?

- It's always more fun to have a great group of people running or walking on the path with you
- Participation promotes team spirit – shoot for one of the team awards (Top Fundraising Team, Most Team Spirit, Best Costume)
- The Jingle Bell Run/Walk joins people together to support the Arthritis Foundation in its mission to find a cure for this debilitating disease
- It's FUN!

How do I start a team?

- Visit the Duluth Jingle Bell Run/Walk page www.jbrduluth.kintera.org
- Click on “Start a Team,” then select “Independent Team” and create a Team Name, Team Fundraising Goal and Recruiting Goal
- Create a username and password then continue to enter your personal information
- Once your registration is complete, send emails from your personal Webpage asking co-workers, friends & family to join your team
- Motivate and inspire your team to success!
