

Wichita, KS
2012 Jingle Bell Run Medical Honoree
Shadi Shahouri, M.D.

Contact information: (316) 612-4815

Dr. Shahouri received his medical degree in 1998 from the American University of Beirut, one of the leading medical centers in Lebanon. He relocated to Wichita to complete a one year residency in Family Practice; followed by a three year Internal Medicine residency at The University of Kansas. After receiving his board certification in Internal Medicine, Dr. Shahouri completed a two year fellowship in Rheumatology at The University of Kansas.

Dr. Shahouri has gained cutting edge experience in the treatment of rheumatic diseases, and has also participated in advanced clinical research and acquired extensive experience in diagnostic and therapeutic musculoskeletal ultrasound.

The goals set forth by Dr. Shahouri for his medical practice include, providing state of the art medical care for patients with arthritic conditions; assist community members who are medically underserved, participate in clinical research to advance the understanding of rheumatic disease; and prepare future generations of Kansas area physicians by teaching residents and medical students in his role as volunteer faculty member at the University of Kansas, Wichita.

It is because of Dr. Shahouri's commitment to the Wichita area, and his unparalleled expertise in rheumatic diseases that the Arthritis Foundation is proud to recognize Dr. Shadi Shahouri as our 2012 Jingle Bell Run Honoree.

The Arthritis Foundation (www.arthritis.org) is committed to raising awareness and reducing the unacceptable impact of arthritis, which strikes one in every five adults and 300,000 children, and is the nation's leading cause of disability. To conquer this painful, debilitating disease, we support education, research, advocacy and other vital programs and services.
