## Arthritis Updates & Opportunities

Summer is almost here! Now is the perfect time to make new friends and get involved with our supportive community through our summer events, Connect Groups and other arthritis programs.

### Fundraising Should Be Fun

Take it from Drs. Tom Rennie and Jane Ayala, who are supporting the Arthritis Foundation with their 2nd annual pickleball tournament — [Dink for a Cure](#), which raised over \$100,000 in two years!

**The tour becomes a big family. You meet a lot of people who share the same ideals.**

- Carlos Câmara, osteoarthritis patient & California Coast Classic rider

Sign up for the [California Coast Classic](#) happening Sept. 30 – Oct. 7.

### Cell Therapy Study for OA of the Knee

If you are age 40 or older and living with knee osteoarthritis (OA), you might qualify for a clinical trial testing an investigational cell therapy.

The ACTIVION clinical research trial will look at how well a new cell therapy works to potentially reduce pain and improve function in knee OA. Talk to your doctor about the benefits and risks of participating in a clinical trial.
