

Uncork the Cure

How it works

Upon arrival, all 3 bottles will be given to the Hosts, who will wrap 2 of the bottles to conceal the wine's identity. The 2 wrapped bottles will have a number randomly assigned to them and will then be set out for tasting. The third bottle will be left unopened and will not be tasted or displayed.

Each invitee will be given a card with a number for each wine. The wines will be rated on a taste scaled of 1 to 5. At the end of the tasting period, each invitee must write down the number of his or her favorite wine and least favorite wine. Cards will be collected and selections tallied.

The invitees that brought the top 3 favorite wines will take home everyone's third

unopened bottle of wine. The invitee that brought the least favorite bottle of wine will take back his or her unopened bottle of wine.

The wine tasting begins at 6 p.m. so please arrive promptly.

If 2 (or more) invitees or teams bring the same wine, it shouldn't matter. The rankings can still differ depending upon the temperature of the wine, how long it has been opened, etc.

Please remember, teams can consist of up to 3 people. If, for example, 4 people wish to participate, they would be considered 2 teams; thus, they will need to bring 6 bottles to enter the event. This rule will be strictly enforced at the door.

Rules

All "teams" are required to bring **3 bottles of wine**, even if the "team" only consists of one person. However, it is possible to leave with more bottles of wine than you came with. Thanks in advance!
