

Volunteers Wanted Arthritis Answers™

Do you enjoy talking and listening to others? Are you a resourceful problem-solver? Do you gain satisfaction by helping others in need? If you answered yes to these questions, then we have the perfect volunteer assignment for you as an Arthritis Answers™ Advisor.

Every year, our Arthritis Answers™ information and referral service gets thousands of telephone and e-mail requests from the public for information about arthritis treatment and management. Volunteers respond to these calls, providing literature and other resources to help people take control of their health.

You are an ideal candidate for an assignment as an Arthritis Answers™ volunteer if you are friendly and interested in helping people manage arthritis. You must be available to work at least one half-day per week during business hours in our beautiful Troy office, and you must be willing to make a long-term commitment. Preferred candidates for this assignment have experience with arthritis. We'll provide training and resources.

For more information, complete the application on the reverse of this page, or contact:

Kara Dorda
Arthritis Foundation, Michigan Chapter
1050 Wilshire Drive #302
Troy, MI 48084
Phone: 800-968-3030 x222
Fax: 248-649-2895

Our Arthritis Answers™ volunteers thoroughly enjoy educating consumers about arthritis and helping to make a difference in their lives. So can you!
