

# THE POWER OF 60

## 2008 - 60<sup>th</sup> anniversary year of Arthritis Foundation and the Northern California Chapter

*We began* under the volunteer leadership of a small group of rheumatologists, business professionals, and philanthropists who saw the need to raise awareness of arthritis and address it early in order to prevent permanent joint damage, to raise funds for the research needed to find its cures and preventions, and to raise the quality of life for those affected by any of the more than 100 forms of the disease.

*Today*, our organization is led by volunteers and professionals just as dedicated to our mission. Great progress has been made with new arthritis treatments, programs and advocacy.

There is still much to be done, and to do it, we need your help. We thank all of you who support our work and invite the rest of you to join us.

Dr. David Daikh of UCSF

*The mission of the Arthritis Foundation is to improve lives through leadership in the prevention, control, and cure of arthritis and related diseases.*

## Board of Directors

### Chair

Patricia S. Sprincin

### Chair Emeritus

R. Elaine Lambert, MD

### Secretary/Treasurer

Fred J. Prager

### Vice Chairs

David Daikh, MD, PhD

Carol P. Doll

James Fuqua

Frank A. Huerta

Garner Kelly

Harry J. Saal

Christy Sandborg, MD

### President

Patricia J. Handeland

### Directors

Brent Assink

Gregory Bell, MD

Annette G. Bialson

Sheila O'Connor Burns

Andrew Chan, MD, PhD

Frederick J. Dotzler

Barbara Eschbach

Jeff S. Fredericks

Paula Gambs

Harold O. Hughes, Esq.

Sallie Hunting

Arlene Inch

Judy Jorgensen

Guy O. Kornblum

## Arthritis Foundation Northern California Chapter

# Annual Report 2008

Arthritis Walk, Crissy Field

Arthritis Foundation Exercise Program

**60 years of Arthritis Foundation supported research** has achieved a dividend of new treatments, new medications, new surgical techniques, and enormous improvement in quality of life for the one in five Americans who cope with the daily challenges presented by arthritis.

**60 years of Arthritis Foundation public health efforts** have resulted in the Arthritis Foundation's Self Help Course, Aquatic Program, Exercise Program, public education programs, support groups, the Arthritis EXPO, and massive outreach with education and awareness campaigns.

**60 years of Arthritis Foundation public advocacy** and support for legislation and government assistance programs have brought landmark arthritis legislation, an institute at the National Institutes of Health dedicated to arthritis research, improved access and services for the disabled, alliances with the U.S. Centers for Disease Control and the California Department of Health Services, prescription help, and government action and intervention to help prevent and control arthritis.

**60 years of Arthritis Foundation funding** has come in amounts large and small, from individuals, organizations, businesses, corporations, foundations, and the Bay Area Arthritis Auxiliary through an array of venues including direct gifts, event participation, membership dues, memorial gifts, planned giving, grants, and sponsorships.

*The Arthritis Foundation is grateful to all for your generous support. Donations are used to fund research and to provide programs and services that make positive differences in people's lives. We pledge our continued commitment to effectively and efficiently steward your contributions.*
