

Kiyah Hall and her parents, Craig and Nicole, of Margate, FL, have been regular participants in the Arthritis Foundation's annual Juvenile Arthritis Conference, the Advocacy and Kids' Summit and their local Walk to Cure Arthritis. You can get involved, too!

Leading
the Way

THANKS TO OUR DONORS & VOLUNTEERS

What is the difference between doing nothing and finding better treatments and a cure for arthritis?

You.

Without your contributions, we cannot achieve our mission to make a difference in the lives of people with arthritis. But working together, we can make a HUGE difference. Already, we are helping and supporting people with arthritis — advocating for their rights and enabling research into how arthritis develops and what can stop it.

If your name appears in this report, it is because your contributions — of money, time, resources, knowledge — are helping the Arthritis Foundation accomplish our mission. And we are grateful for every one of you.

To get involved, please email development@arthritis.org and someone will be in touch.
