Meet Matthew Kopelowitz

The muse behind Seasalt's support of the Arthritis Foundation is Matthew Kopelowitz, the son of Seasalt's part owner, Jay Kopelowitz.

Matthew was diagnosed with juvenile arthritis at just 13 years old. Now 17, Matthew has spent the past 4 years helping to raise awareness and funds for arthritis research by leading his own team in the annual Walk to Cure Arthritis.

If you would like to join Matthew in his effort to find a cure, please click the button below to learn about how you can get involved!
