PARKING: You may park in any available metered space. Meters that are bagged are reserved and should not be used; parking at a bagged space will result in a ticket and/or towing. With a valid disability placard or plate, Denver's Disability Parking Ordinance allows you to "park at Denver City meters for up to four (4) hours without paying...when parking is allowed."

DISABLED PARKING: There are a limited number of ADA (handicapped) parking spaces available on the State Capitol grounds due to the renovation of the dome. These spaces are first-come-first-served and located just outside the Capitol building on the circle drive near its south side basement entrance.

- Enter the drive off of 14th & Sherman
- Drive up to the barrier with the automatic arm and callbox
- Tell the guard you are going to the ADA (disabled) parking and the gate/arm will be opened to let you in
- Park in an open ADA space at the south side (14th Ave.) of the building, and access the building through this ADA entrance

There are also a couple of ADA spaces on Sherman between 14th and 13th.

PUBLIC TRANSPORTATION: The Capitol is located one block southeast of Civic Center Station, which can be accessed by Light Rail from the 16th Street Mall. Check with RTD for specific schedules.
