Dear Friends,

Welcome to the annual Arthritis Foundation Walk to Cure Arthritis! My sincerest thanks for inviting me. Today's event is an important opportunity for the community to gather in support of those living with arthritis. My regrets at being unable to attend.

The Arthritis Foundation does incredible work, both in Connecticut and across the nation. From supporting and assisting those with arthritis by offering educational opportunities and working with healthcare providers, to leading and funding scientific research working towards a cure, the Arthritis Foundation truly makes a difference in the lives of so many. My thanks to everyone here today for coming out to support this important organization and stand with those living with arthritis.

Again, my sincere thanks for inviting me to be a part of this wonderful event. I thank everyone participating again for their support of the Arthritis Foundation. I wish you all a happy and successful event this year and hope to attend the walk in 2019. I wish you all the best.

Sincerely,

Richard Blumenthal  
United States Senator
