ALPHA OMICRON PI

exceed the expectation

Join us in cheering on the Miami Marlins at AOII's Strike Out Arthritis! game & the Miami Marlins Greek Night as they take on the Atlanta Braves on September 23, 2016 at 7:10pm with post game fireworks. Purchasing a ticket to this game will include a \$5 donation to the Arthritis Foundation and a tshirt!

PLEASE NOTE: The date of the game has changed from the Save the Date and the above date is now the correct date.

To purchase tickets to this Strike Out Arthritis! game please [click here](#) and fill out the form. Once you have filled out your form it will be submitted for approval. Once approved you will receive an invoice to the email address you provided on the form.

For specific questions about the game please contact Alex LeForge, Assistant Director of Branding and Events at Alpha Omicron Pi International Headquarters at aleforge@alphaomicronpi.org or 615-370-0920.

Since 2010, Alpha Omicron Pi has partnered with MLB teams across North America to host fundraising events for our Strike Out Arthritis! initiative. Each year ticket sales and attendance grow which allows for our donation to our international philanthropy, the Arthritis Foundation, to increase significantly. In addition to these Fraternity wide Strike Out Arthritis! events, our collegiate and alumnae chapters host local SOA! events that also contribute to AOII's overall goal to Strike Out Arthritis. This year, the Fraternity is aiming to host fundraising events with all 30 individual MLB teams in our ongoing effort to secure an AOII-Major League Baseball partnership. This goal will become a reality with the help, support and attendance from each of our collegiate and alumnae members! We hope to see you at the ballpark!
