

Renee Meier
2014 Jingle Bell Run/Walk
Medical Honoree
Evansville, IN

Renee Meier was born and raised in Mitchell, Indiana. She is a single mom of a handsome little boy, Garrett, who she adores. She graduated from Ivy Tech with an Associate's Degree in Medical Assisting (Health Science) in 2006, was a member of the Phi Theta Kappa, and was on the National Dean's List from 2003-2006.

Renee worked for Deaconess Urgent Care from 2008-2010. She is currently employed at St. Mary's in Rheumatology, where she has worked under the supervision of Dr. Shilpa Gaitonde since 2012.

She has a passion for health care, and for making sure that her patients have everything they need to be well. She is proud to be working with the Arthritis Foundation to work towards a cure for arthritis, and better lives for those who suffer from the disease.

We admire Renee's commitment to her patients, and we are thrilled to have her as the medical honoree for the 2014 Jingle Bell Run/Walk.

About the Arthritis Foundation

The Arthritis Foundation (www.arthritis.org) is committed to raising awareness and reducing the unacceptable impact of arthritis, which strikes one in every five adults and 300,000 children, and is the nation's leading cause of disability. To conquer this painful, debilitating disease, we support education, research, advocacy and other vital programs and services.
