NETWORKING & FUN DAY OPPORTUNITIES

The Arthritis Foundation coordinates educational and social opportunities for JA families to network, learn and have fun throughout the year. These events include education days, seasonal outings, ball games, the opportunity to get involved in our fundraising events and much more! For more information about programming near you check out our events calendar.

ONLINE EDUCATION

Education is an important component in managing juvenile arthritis. The Arthritis Foundation provides FREE webinars with relevant and timely topics. Webinars can be listened to live or on-demand at your convenience. To stay up-to-date with live webinars “like” us on Facebook or view our archived webinars.

JA CAMPS

Summer camp is one of the highest, positive-impact activities in which a child can participate. So much can happen in a week’s time to improve that ever so fragile self-esteem that we all try to instill into our kids. [Read more](#)

KIDS SURVIVAL KITS

The Arthritis Foundation, Heartland Region is offering FREE survival kits to children who have been diagnosed by a doctor with a form of juvenile arthritis. The kit is designed to help your child learn how to take control of their arthritis by providing educational information, a health journal, a book for mom and dad, a book for the child and a hot/cold pack. About Us

Option 2

Notice above navigation bar still has the JA Camps page which is currently out there, and each camp listed beneath.

If we go with this, each sub-page would be a one page webpage where we can add a link to registration, testimonials, faq's, link to photo archive and/or videos, etc. We have a little room to customize this page as needed.
