

How to Fundraise Online

First, log in to the Participant Center.

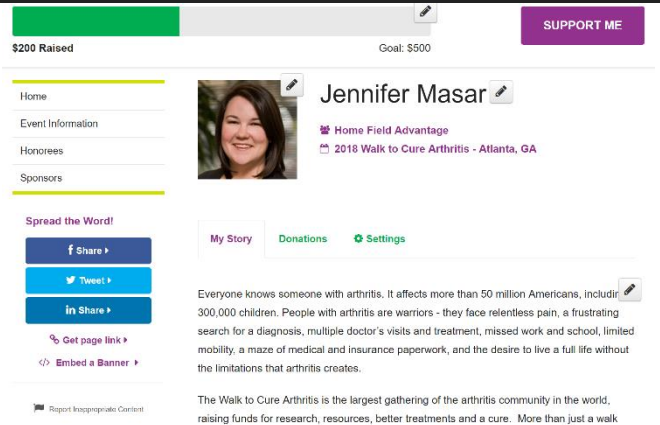

Go to the event website and click "Login" at the top right corner of the page.

Once logged in, you'll navigate through the Participant Center using the toolbar at the top of the page.

1. Click **"Your Page"** to update settings, photos and text on your personal page, see donations and thank donors.
 - i. If you are a Team Captain, click on "Team Page" to change and customize the team page.
2. Click **"Messages"** in the toolbar to upload contact and send emails to ask for donations.

Click "Compose a Message" to choose a message template to customize and upload contacts.

Customizing the message is encouraged, that way people know why you are supporting the cause!

Get started with Messages

Add contacts from webmail, CSV or individually.
