

# Jingle Bell Run

## Team Tuesdays Spotlight!

Five years ago this December, Ali McDonald lost her grandmother to complications of arthritis and the accompanying medications. This year, Ali is honoring that incredible woman – Sharon Wilson, who was 66 when she passed away – by having a Jingle Bell Run team and raising funds to fight arthritis.

“She was one of the nicest people I've ever known,” Ali says. “Always caring and wanting to help and give to others. I miss and think about her every day.”

Ali, who has previously volunteered at our underground Jingle Bell Run, is excited to participate in the 5K and hopes to raise \$1,000 or more on her McBurchett team. Thank you, Ali!
