ABOUT THE ARTHRITIS FOUNDATION

The Arthritis Foundation is the largest and most trusted non-profit organization dedicated to addressing the needs and challenges of those living with arthritis, the nation's leading cause of disability.

Since 1948, the Foundation has remained committed to leading groundbreaking research for better treatments and a cure, fighting for patients' access to affordable and effective health care. They provide trusted information, education and resources to over 50 million Americans, including 300,000 children, living with arthritis.

We invite you to join us as a sponsor of the Arthritis Foundation's **Voices for a Cure** event starring **Terry Fator**.

Please join us in supporting the essential work of the Arthritis Foundation by becoming a leading sponsor of our annual Voices for a Cure—starring Terry Fator—on Wednesday, June 8th, 2016.

Through the generosity of sponsors like you we are able to fund critical programs such as:

- ◆ Arthritis Research
