FAQ

Do I need to register the kids on my team?

Yes, all children and adults must be registered. The Arthritis Foundation requires a waiver for each participant. If you or your child did not fill out a waiver on-line, please go to the registration tent to obtain a waiver form.

May I bring a dog?

Per Zoo policy, dogs **are NOT permitted**. If you have a service dog, please contact me.

Should I bring my Zoo membership?

Yes, please bring your Zoo membership. This helps minimize cost to the Arthritis Foundation. The zoo charges the Arthritis Foundation approximately \$6 per person. Therefore, using your zoo pass or making a donation helps keep expenses down so more resources can go to finding a cure.

Do I get a t-shirt?

Any person who raises \$100.00 will get a **blue ticket** to redeem for an event t-shirt.

When may I have my goody bag?

Once you enter the front zoo gates, Orthopedic One will have bags for everyone. These bags are to be filled with goodies at the vendors tables at the end of the walk at the Water's Edge.

Please let me know if you have other questions I can help with before the Walk on May 6!
