

CYCLE THE
MAJESTIC
OREGON
COAST

PEOPLE'S COAST ARTHRITIS BIKE CLASSIC

An Arthritis Foundation Special Event

2015 RIDER HANDBOOK

Welcome!

Welcome – and thank you for your participation and support of The People's Coast Arthritis Bike Classic presented by Amgen (PCABC)! Returning for its sixth year, our aim is to provide you with a great week of cycling, support, and a backdrop for building and fostering new friendships. Without individuals like you, it would be considerably more difficult to raise both the funding and awareness for arthritis and related diseases. Your time, effort, energy, and fundraising are truly appreciated and we hope to reward you with a phenomenal weeklong tour of the beautiful Oregon coast.

Overview / Background

The Mission of the Arthritis Foundation is to improve lives through leadership in the prevention, control and cure of arthritis and related diseases. We are focused on finding a cure and championing the fight against arthritis with life-changing information, advocacy, science and community. Proceeds from the PCABC support the go to the Arthritis Foundation and the 52.5 million adults and 300,000 juveniles living with arthritis. PCABC is produced with the assistance of Bike Newport and highlights one of the most beautiful and bike-friendly coastlines in the world.

Event Support

The Arthritis Foundation has teamed up again with Bike Newport for world class mechanical and logistical support. A full service bike shop located in Newport, OR, is deeply involved in the cycling community. Owners, Daniella and Elliott Crowder are avid cyclists and host weekly rides for both mountain bikes and road bikes, are involved in their local cycling club, and do all they can to promote cycling as a way of life.

Your week on the coast includes a well-established cycling route; a kickoff dinner and finish line celebration; reserved campsites; delicious breakfasts; well-placed aid stations; dinners every day; hot showers; and restroom facilities. You will also receive daily cue sheets that provide clear directions and details about the route.

We encourage you to keep this manual handy for reference throughout the week. Our crew of staff and volunteers are prepared to assist you, as are your fellow riders who have participated on the PCABC.

Accommodations

Camping is included with your registration so you'll need to bring a tent, sleeping bag, and proper gear for sleeping under the stars. Your camping gear and personal effects will be transported between campsites each day. Some participants opt for hotel accommodations during the week, most of which are within walking distance from the campground. However there are a few evenings where this is not the case (please see the maps under each day's agenda for exact proximity to one another). Our staff & volunteers will ensure your luggage is at your hotel prior to your arrival. Ideally, you will complete the day's route and arrive at the

campground finish line at the end of the ride. Here, you can check in, leave your bicycle in our secure parking area, have a few refreshments, and discuss the day's journey with fellow riders before being heading to your hotel. If you are choosing to stay in a hotel for any of the evenings **you are responsible for making your own hotel reservations.** We have reserved rooms at each location, so let each hotel know that you are with the Arthritis Foundation. A full list of hotels, contact information and cost is located on page 14-15.

If you do choose to cycle directly to your hotel, please contact Allison Bailey or Jennifer Kozicki upon arrival, otherwise we'll be out looking for you on course!

[Allison: 503-984-7811](tel:503-984-7811) [Jennifer: 415-312-1557](tel:415-312-1557)

Pre-Ride Transportation

For our riders who will be leaving from Portland, we will transport you from the Holiday Inn located at 8439 NE Columbia Blvd. Portland, OR 97220. The bus will depart at 12:00 PM for Astoria on Saturday, September 12th. Please arrive no later than 11:00 AM, to get checked in and loaded on the bus. There is parking available at the hotel for \$7.00 per day for those who wish to leave a car. If you are not arriving into town prior to the 12th and wish to park, please use the link below to purchase your parking ahead of time and bring your receipt to the hotel in the morning before departure. *www.GlobalAirportParking.com select Portland-PDX, enter the dates (9/12/15-9/19/15) and select Holiday Inn-PDX.

Returning Transportation

On Saturday, September 19th we will depart from Brookings around 10:00 AM returning to Portland and the Holiday Inn at the Portland Airport at approximately 6:00 PM.

Showers

Hot showers will be provided at each overnight site. The showers come with dressing rooms and sinks. Please remember to pack your towels and personal toiletries.

Meals

All riders will be provided with a catered breakfast and dinner as well as a post ride "Power Bar" at each overnight location. Our meals are always wholesome and fresh, and will provide plenty of energy for some great bike riding.

We will send out a pre-ride survey regarding food allergies/sensitivities and dietary restrictions so that we can accommodate your needs.

Prescriptions / Medications

We ask that you plan ahead and remember to bring any medication or prescriptions that you are currently taking. If you have a medical condition that may require assistance during the week, please let our staff know prior to the event.

Massage

After a long day in the saddle, bring your tired legs down to the massage tent. Our licensed therapist, Lyn Yancha of Century Massage, uses a variety of Swedish, deep tissue and sports massage styles to keep you riding happy all week. Massage relieves muscle pain and tightness by stimulating circulation, clearing out the toxins that build up with extreme exertion and stopping spasms before they stop you from riding.

Massage reservations and rates are handled directly through Lyn. Payment is due at the time of appointment and it is requested that you arrive 5 minutes prior to appointment to check in. Century Massage accepts VISA, MasterCard, check or cash. Look for the massage tent and table at each campsite and treat yourself to a rejuvenating experience after a long day in the saddle.

Daily Yoga

Daniella of Bike Newport is also a certified yoga instructor and will be offering daily yoga classes to any and all participants who are interested. This is a great opportunity to prepare for the ride ahead, to stretch, release the ride from the day before and soak in the coastal air.

Baggage Transport

Our volunteers will transport your baggage each day to and from the campsite or hotel. You will receive a baggage ID tag to match your rider number, **but please label your gear bag (including tent and sleeping bag) with additional personal identification tags.** Each rider may bring two bags (including tents) not to weigh more than 65 pounds. Please do not strap your bags together, and do not use straps with sharp edges or buckles. ***Campers: Participants who are camping must pick up their gear from the box truck at each overnight camping area and return their gear to the truck each morning.***

Lodgers: If you are staying at a hotel, your bags will be delivered to hotels (ask for them when you check in.) You are responsible for ensuring your bags get from your room to the small box truck each morning. The small box truck will be staged at the hotel in the parking area with a combo lock on the roll-up door so that you can place your luggage inside after you checkout. If you choose to catch a ride to camp in the morning and bring your luggage with you, you must place your bags next to the signs for hotel luggage near the large box truck for proper delivery. The combo for the lock will be provided at the start of the event to those staying at hotels.

Bicycle Transportation

Bike Newport will be available to assist you in transporting your bicycle to the coast for the event. Bicycles can be shipped to Bike Newport 150 NW 6th St., Newport, OR 97365 with arrival date of no later than Wednesday, Sept. 9th. If you are having your bicycle shipped to Bike Newport please include your name inside the shipping box AND please email Bike Newport at bikewnewport@charter.net, including any special instructions. Bicycle assembly is available at the discounted rate of \$40 per bike and includes transporting your bike to Astoria for the start of the event. Bike Newport can also disassemble and ship your bike home for an additional \$55 plus the shipping costs through Shipbikes.com. Bike Newport will provide forms to interested riders and will arrange disassembly and shipping from their shop. Please allow at least three days for disassembly and packing time. All riders are welcome to call Bike Newport for more information at (541) 265-9916.

Course Support/Support Vehicles/Road Support Guidelines

PCABC prides itself on providing a fully supported ride. Our goal is to help you finish the day's ride. The course is complete with the following services and amenities.

Course Hours: Generally 7:30 AM – 5:30 PM with the following exceptions (which are subject to change):

- **Day 1: 9:00 AM to 5:30 PM**
- **Day 3: 2:30PM to 5:30 PM**

To help ensure a safe event, course support services are available only during the course hours. If you leave before the course opens or are still riding after the course closes, there will be no support services available. All riders still on the course after 5:30 p.m. will be offered a ride to camp, but may opt to stay on the route without services.

There will be SAG (Support and Gear) vehicles on the course each day. They are available to transport cyclists as needed due to mechanical problems or medical injuries and are occasionally available to transport cyclists up or down a steep hill so that cyclists are able to finish the day's ride. They also have extra water and snacks, if needed. If at any time you need assistance, please signal a SAG van with an outstretched fist.

Please be aware that if you do get into a SAG vehicle, you may not be transported directly to camp. The SAG vehicles usually wait until they are full to return to camp. There will be a SAG vehicle available each morning to transport cyclists from site to site if they are not feeling well, are injured, or need a break from riding.

If you are ill or injured or prefer not to ride on a given day, please inform an Arthritis Foundation staff member or the mid-day & hospitality lead in the morning to arrange transportation.

If you experience pain from riding, please talk to Bike Newport. Elliott is a bike fit technician and may be able to alter your fit in order to reduce your discomfort.

Bike Mechanics & Retail

Along with route support, Bike Newport will provide mechanical services. Bike Newport is a full service bicycle retailer based in Newport, OR. They will have a full range of tires, tubes, and other supplies on hand as well as basic cycling apparel. Mechanical services will be located at each overnight location and along the route. Darin (your mechanic) will be along the course each day and stopping as needed. Bike Newport will be bringing a limited range of replacement components should your bike require more than a simple tune up. If you are on-course and find yourself in need of mechanical assistance, contact any of the SAG vehicle drivers or Darin directly and we will promptly coordinate the necessary help.

Safety

The number-one priority of PCABC is your safety. Therefore, here are a few rules we insist you follow:

1. Helmets and two water bottles (or equivalent) are required during the ride. The use of rear-view mirrors and forward & rear facing day-time blinking lights are strongly recommended as a safety measure.
2. PCABC uses a group of staff and volunteers who provide an on-course presence and are a good source of information or assistance during the ride. They enhance the overall safety of the ride by interacting with the riders who may pose a hazard by unlawful or unsafe riding.
3. By Oregon law, bicyclists are operators of vehicles and must comply with all traffic laws. PCABC reserves the right to expel any participant who demonstrates a reluctance to ride in a safe and lawful manner. Riders who violate safety laws in the Oregon motor vehicle code are also subject to citation by law enforcement officials.
4. The course will be clearly marked. If you leave the official course, we will not be able to offer any services or support.
5. The PCABC travels on public roads. Therefore, ride no more than two abreast. Ride beside a friend only where it is safe to do so and where you do not block traffic. Ride as far to the right of the road as safely possible and pass slower riders only on the left.
6. NEVER draft behind a vehicle. Pace lines are prohibited in areas of high vehicle or cyclist traffic, and are limited in size to a maximum of seven (7) riders. Be especially careful at railroad tracks, cattle guards and busy intersections.
7. Call "ON YOUR LEFT" to alert a rider you intend to pass. The call "CAR BACK" passes the message forward when a vehicle is approaching from behind. Use arm signals to indicate turns. Point out potholes, broken glass and other hazards to those behind you. Signal your intention to stop and pull off the roadway. Call "TRACKS" for any railroad crossings.

8. It is illegal to use headphones on public roads in Oregon, please leave them in your gear bag while riding. The use of iPods and similar musical devices with open speakers is discouraged during the event. Safe group riding in an event such as the PCABC depends on communication between cyclists. The use of iPods interfere with that process and make it difficult for people to hear instructions such as "CAR BACK" and "ON YOUR LEFT." iPods also make it difficult to hear approaching cars or trucks, negatively impacting the safety of cyclists and motorists.
9. The PCABC has built upon a reputation for leaving our course, campsites, lunch spots, and rest stops spotless. Please dispose of all trash, recyclables and compostable in the appropriate places. We would like to be able to leave our course, campsites, lunch spots and rest stops in the same or better condition that we found them.
10. Cyclists must keep the roadway clear when stopping at an event-designated stop or any other location. Please ensure that bicycles are parked off the road (and preferably off sidewalks) and that cyclists do not congregate on the roadways.
11. Please make every effort to be a courteous cyclist & visitor to the area. It is vital to represent the event well to ensure our continued success in working with the local communities.

Extensive Communications

If you witness an accident on the course, please do the following:

1. If you have cell phone reception, IMMEDIATELY CALL 911, then notify event staff listed on your emergency card – use your cue sheet to identify which mile marker you are near.
2. Do not move the injured rider, especially if you suspect a head or spinal injury.
3. Notify a passing ambulance, SAG vehicle or staff vehicle by making the emergency signal (crossing your arms overhead) rather than using the outstretched fist signal.
4. Take care of yourself. Do not step into the path of vehicle traffic.
5. Keep the injured person calm.
6. Arthritis Foundation Staff and Incident Commander, Laura Rosseisen will be on her way. Wait for her arrival and instructions before resuming the ride.

Evacuation/ Severe Weather

PA announcements throughout the campsite will alert the riders to prepare for evacuation. Harsh weather may warrant the use of contingency facilities for shelter, if available.

Rider Check-In Locations

A check in location will be established roughly in the middle of each day's route. **All riders must check in at the mid-day checkpoint.** In case we can't see your rider number, please approach staff so they can be sure to check you off the list. To ensure the safety of all riders, it is required that you check in at this location each day by 2:00 p.m. so that we can make sure you've made it through the mid-point of each day. Failure to do so will result in an army of volunteers heading out on course looking for you!

All riders will also be checked off when they arrive in camp. If you do not go to camp (ex: you bike directly to the hotel), notify staff to check in. If you arrive at a checkpoint before it is staffed, notify either the mid-day lead or campsite lead to let them know you have passed or finished the ride.

Course Markings & Cue Sheets

The entire route is well marked and you should have no problem navigating our tour of the Oregon Coast. In order to minimize any confusion and to reduce the risk of getting lost, we have implemented a route-marking system that is straightforward and easy to follow.

On sections of the route with no turns, there will be course markings on the road approximately every five (5) miles. At intersections requiring a turn, there will be two (2) sets of markings prior to the turn and one (1) after it. Prior to serious road hazards, there will be orange markings prior to the hazard. All course markings will feature a set of three-colored arrows – orange, green and blue colored markings.

Cue sheets will also be provided to riders at the event check-in & packet-pickup gathering. These cue sheets will provide turn-by-turn directions; point-to-point & cumulative distances; an overview map and elevation profile for the day; and guide you to the mid-point and destination checkpoints.

Itinerary (please visit website for additional information)

Day 00 – Friday, September 11, 2015 – Portland, OR

Hotel: Holiday Inn at Portland International Airport –8439 NE Columbia Blvd, Portland OR 97220

*Rooms are available at a group rate of \$115 + tax (parking not included) or \$135 + tax with parking. Please make reservations prior to August 31, 2015.

Day 0 – Saturday, September 12, 2015: Portland to Astoria

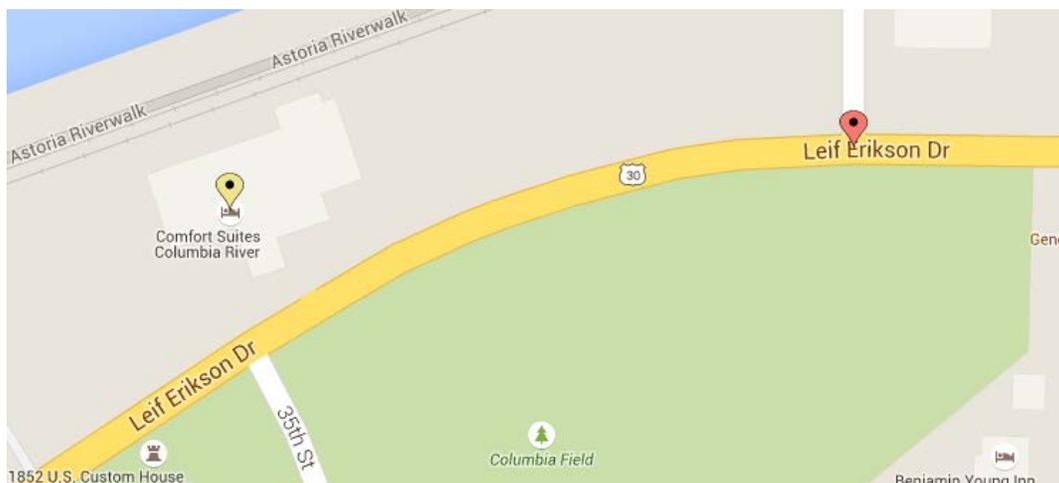

Our motor coach will pick up participants from the *Holiday Inn Portland International Airport and*

depart at 12:00 PM. We will have plenty of room for you and all your gear, so sit back and relax as we take the scenic route to Astoria! Whether you're taking advantage of our transport or meeting us in Astoria, **make sure to join us at 5:00 PM for check-in and a kickoff party and dinner.** This is a time to meet fellow riders, get excited about the journey ahead, and ask any questions of staff, volunteers, and returning riders. Before check in you may want to check out the Columbia River Maritime Museum—free admission to all riders. You can also walk the riverfront trail or ride the historic trolley, which runs from one end of town to the other, for \$1.00. Or visit the Oregon Film Museum, featuring the history of famous films made in the area (The Goonies)!

Accommodations

Camping: Columbia Fields – 36th and Leif Erikson Dr., Astoria, OR 97103 (across the street from Comfort Inn & Suites)

Hotel: Comfort Inn & Suites Columbia River – 3420 Leif Erikson Dr., Astoria, OR 97103

	Columbia Fields	Leif Erikson Drive & 36th Street, Astoria, OR 97103, USA
	Comfort Inn & Suites	3420 Leif Erikson Drive, Astoria, OR 97103, USA

****Check-In & Packet Pickup Information**

After you arrive in Astoria and have settled in, you'll need to check in and pick up your rider packet. The rider packet will contain a jersey, bike number, luggage tag and course maps/cue sheets. Please bring a photo ID and be prepared to sign a waiver. You must sign the waiver in order to receive your packet. **Check-In & Packet Pickup begins at 5:00 PM.**

If you leave the ride, we require that you check in with a staff member to let them know you are leaving.

Day One – Sunday, September 13, 2015: Astoria to Tillamook (68 miles)

Recommended Gear: 2015 jersey for group photos

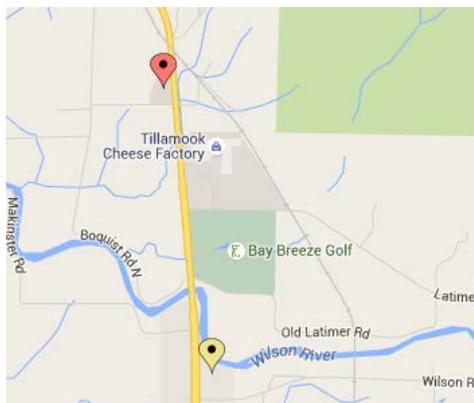

Meals: Breakfast (**served 7:00-8:30 AM**) and Dinner (**served 5:30-7:00 PM**)

Here we go! **The ride begins in front of Rogue Ales at 9:00 AM.** Please join us for a photo wearing your 2015 jersey as we begin our journey! The ride will leave Astoria and follow the gorgeous coastline through Seaside and the majestic beaches of Cannon Beach. Seaside, known as the Northwest's "beach playground", has long been a tourist destination for its beaches and history as the last stop of the Lewis and Clark Corps of Discovery Expedition. Take a spin around town, visit the Aquarium, walk along the boardwalk, and maybe even indulge in childhood dreams at the arcade. Check-in with our crew in Cannon Beach, also a great place to grab a fresh seafood lunch. A must see photo stop is Haystack Rock and the Needles, which are designated marine sanctuaries. Your journey continues through Manzanita, Nehalem, Garibaldi and Tillamook. Don't forget to stop at the Tillamook Cheese Factory for an afternoon treat! Our first night will find us across from both the Tillamook and Blue Heron Cheese Factories and in splendid company.

Accommodations

Camping: Tillamook RV Park 1950 Suppress Road North Tillamook, OR 97141

Hotel: Shilo Inn – 2515 N Main St. Tillamook, OR 97141

	Tillamook RV Park	1950 Suppress Road North, Tillamook, OR 97141, USA
	Shilo Inn	2515 North Main, Tillamook, OR 97141, USA

Day Two – Monday, September 14, 2015: Tillamook to Otter Rock (72 miles)

Optional Gear: Favorite Cartoon Character or Mascot

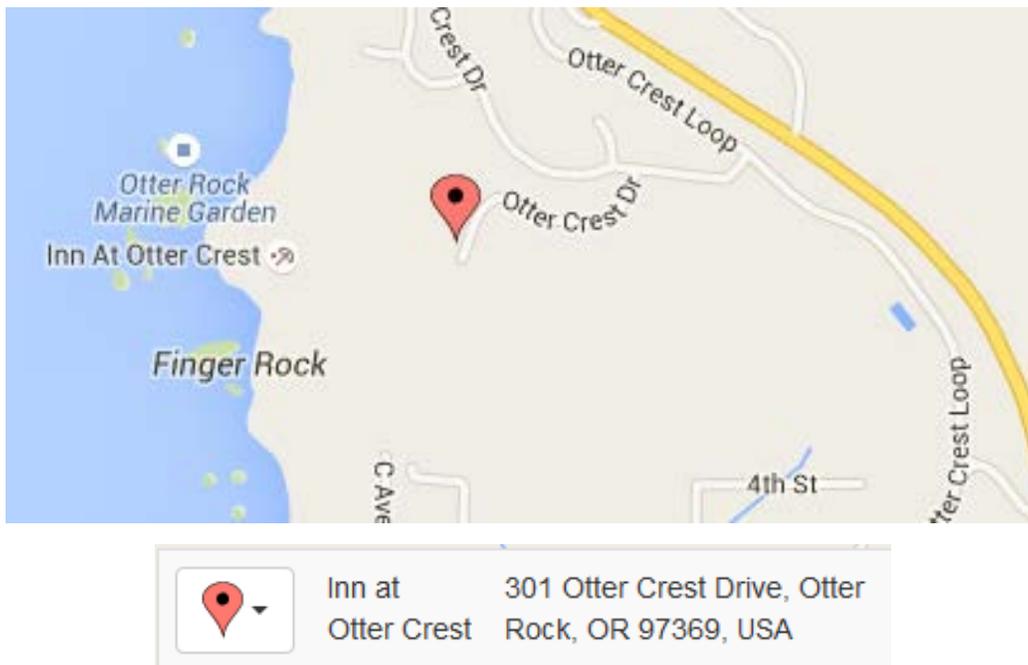

Meals: Breakfast (**served 7:00-8:30AM**); Wine Tasting Event/Dinner and Auction (**served 5:30-8:30 PM**)

Today starts with a ride along portions of the astounding Three Capes Scenic Route and includes cycling past scenic Cape Lookout and Cape Kiwanda. After riding through the Dunes of Sandlake, you'll want to stop in Pacific City for lunch, a walk on the beach, and maybe even some whale watching! We'll roll through Lincoln City and past Cape Foulweather, continuing on

to Otter Rock where we will spend the night. We will camp overlooking the majestic Pacific Ocean. Use of the Inn at Otter Crest's heated pool, sauna, and hot tub will be available for all participants whether you are staying in the hotel or camping. Prior to the end of the evening we will make our way over to the Flying Dutchman Winery where you will have the opportunity to attend a wine tasting event during dinner and participate in an auction.

Accommodations

Camping and Hotel: Inn at Otter Crest – 301 Otter Crest Dr. Otter Rock, OR 97369

Day Three – Tuesday, September 15, 2015: Otter Rock to Yachats (32 miles)

Optional Gear: Hawaiian Apparel (in honor of Rogue's Tiki Tuesdays)

Meals: Light Breakfast (**served 6:30-7:30 AM**), Lunch (**served 1:00-2:30 PM**), and Dinner (**served 5:30-7:00 PM**)

Today is an official "rest day" for the 2015 People's Coast Arthritis Bike Classic. There is plenty to see and do this morning, including visiting the Yaquina Bay Lighthouse or walk along the beach. Pedal or stroll around the town of Newport before joining us for lunch with the Rogue Ales Party at the Brewery on the Bay, home of the legendary John Maier! We will be treated to a behind the scenes brewery tour and tasting. Then on to Yachats for our overnight stay. Stop by Seal Rock to enjoy the chainsaw sculptures, blown art glass and fudge shops. Yachats is a vacation destination resort village located at the mouth of the Yachats River and was named

one of the "Ten Coolest Small Towns in the USA" by Budget magazine in 2007.

SAG for today's ride will begin at 2:30pm after the Rogue Ales Party.

Accommodations

Camping and Hotel: Yachats Inn – 331 US 101, Yachats, OR 97498

Day Four – Wednesday, September 10, 2014: Yachats to Lakeside (60 miles)

Optional Gear: Favorite Musician

Meals: Breakfast (**served 7:00-8:30 AM**) and Dinner (**served 5:30-7:00 PM**)

Today's ride includes the majestic coastline out of Yachats. If you'd like a dose of marine life, take a break at the Sea Lion Caves before riding into Florence. Once in Florence, check out the world's first sandboard park or do some shopping in the historic Old Town, nestled by the Siuslaw River. Sandboarding, like snowboarding but on sand, is a great way to enjoy the extensive dunes present in this Oregon Dunes National Recreation Area. From there, continue your journey onto Winchester Bay and then to our overnight stop in Lakeside.

Accommodations

Camping and Hotel: Lakeshore Lodge – 290 S. 8th St. Lakeside, OR 97449

Day Five - Thursday, September 16, 2015: Lakeside to Port Orford (72 miles)

Optional Gear: Favorite Sports Team

Meals: Breakfast (**served 7:00-8:30 AM**) and Dinner (**served 5:30-7:00 PM**)

On today's route there will be many beaches and a great lunch stop in the Old Town district of Bandon, the Cranberry Capital of Oregon. You'll be able to enjoy the many cranberry products available for sale at local stores, including cranberry wine! En route, you may choose to take a break at the West Coast Game Park Safari, America's largest wild animal petting park where you can feed and meet hundreds of un-caged, free roaming wildlife. Pedal onward to Port Orford where you can enjoy the eight galleries, stroll along the Port Orford Wetland Interpretive Walkway, or visit the only open-water port on the Oregon Coast.

Accommodations

Camping and Hotel: Sea Crest Motel – 44 Hwy 101 S, Port Orford, OR 97465

Day Six - Friday, September 18, 2015: Port Orford to Brookings (57 miles)

Optional Gear: 60's/70's/80's Gear

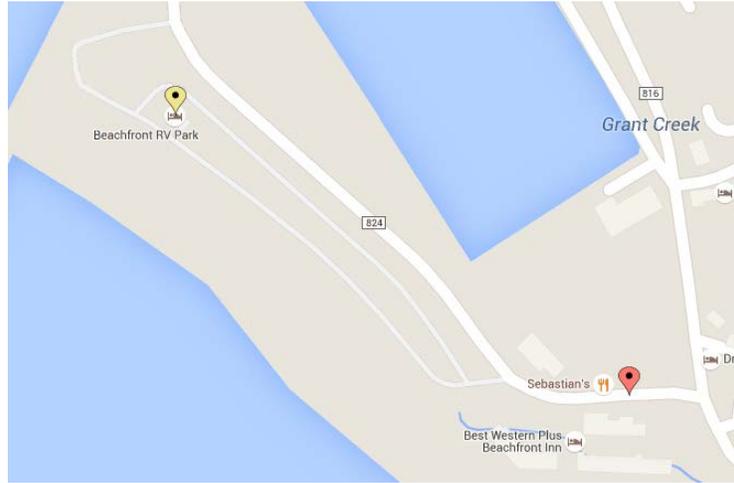

Meals: Breakfast (**served 6:00-7:00AM**) and Dinner (**served 5:30-7:30PM**)

The final stretch of your trip includes a short ride off US 101, along the Old Coast Road before rolling over the Rogue River Bridge and into the town of Gold Beach. Gold Beach is located in Oregon's "Banana Belt" ...sadly this isn't where bananas are grown; it's referring to the climate: Gold Beach boasts more sunlight hours and has a more temperate climate than any other town on the Oregon Coast. Once in Brookings, celebrate your achievement at the beautiful Brookings Harbor Kite Field where the evening includes a post ride party and bonfire!

Accommodations

Camping: Port of Brookings Kite Field – 16035 Boat Basin Road Brookings, OR 97415

Hotel: Best Western Plus Beachfront Inn – 16008 Boat Basin Road Brookings, OR 97415
