

Registration is Open!

JA CAMP

Camp Holiday Trails • Charlottesville, VA

June 16-21, 2019

JA Camp at Camp Holiday Trails is for kids with JA or other rheumatic diseases ages 7-17 years old.

Arthritis Foundation camps provide a safe and secure camp experience for children and teens with juvenile arthritis and childhood rheumatic diseases. Campers gain a greater understanding of their own juvenile arthritis, develop peer-to-peer support, increase independence and self-confidence and discover new skills and interests. Our JA Camps are medically supervised - healthcare professionals are on site to tend to your child's needs.

- Campers will be chosen on a first come, first serve basis.
- Cost of camp is \$50/camper

To learn more about the camp, registration, and to apply, please visit www.campholidaytrails.org and follow these three steps:

- 1) Click the APPLY TO CAMP button at the top of the page;
- 2) Create an account OR login to your account;
- 3) Select the session called: Camper – Session 1 – for campers with JA (in partnership with the Arthritis Foundation)

For questions or more information, please contact Karen Rarog, Community Engagement Director, Arthritis Foundation at krarog@arthritis.org.
