AS A PARTNER, WHERE DOES YOUR MONEY GO?

In the field of nonprofit health care, best practice is to direct at least 75% of all funds raised toward program services. Nationally, the Arthritis Foundation exceeds that standard: 76.4% of our revenue goes directly to programs and services. Approximately 11% is spent on administration, and 12% on fundraising efforts. We pledge to be good stewards of the funds invested in our mission.
