Disclaimer for E-advocate form

ARTHRITIS IS A SERIOUS DISEASE THAT CAN AFFECT ANYONE AT ANY AGE.
Donate for everyone who refuses to let arthritis stop them!

Too few people know the truth about arthritis—that it's a widespread, costly, debilitating disease.

By spreading awareness, speaking out for affordable care and funding groundbreaking research for a cure, the Arthritis Foundation is leading the fight for a better life with arthritis.

Will you help us find a cure by making a gift today?

Great Lakes Region State Advocacy Registration

As a member of the Arthritis Foundation's Grassroots Network, you'll receive timely action alerts to notify your elected officials with arthritis, researchers and providers.

Thank you for completing our form. Now please consider donating to the cause!

CDMRP Reviewer Applications

- CDMRP (Congressional Directed Medical Review Program) at the Department of Defense is seeking applications to be a reviewer
- Several Ambassadors take part in the program
- Large time commitment but your participation is very important
- **Applications are due May 15**
- **Please talk to Laura Keivel if you are interested!**

May Ambassador Assignment

- Sign up 20 NEW E-Advocates either at your local Walk to Cure Arthritis or in your community
- You must send a spreadsheet to Laura Keivel with the E-Advocate first and last names, valid e-mail address, and ZIP code
- Spreadsheet template is available on the Ambassador assignment webpage
- Be sure to report your activity in Aristotle – reporting for this assignment will be available next week

E-Advocate Program

- Why sign up E-Advocates?
 - The more voices, the greater impact we have!
 - Great way to engage your community in Arthritis Foundation advocacy
 - Simple and effective – we have several action alerts a year and our monthly Arthritis Bytes is sent out

Questions?

- Thank you for your time!
- Contact Laura Keivel (lkeivel@arthritis.org – 202-225-2913) if you have further questions or need assistance
- Your participation makes a difference in the lives of the over 50 million Americans with arthritis
