

# Jingle in July Sponsorship Opportunities

## What is Jingle in July?

Jingle in July is a 5K run/walk that benefits the Arthritis Foundation. Part of the popular and successful Jingle Bell Run series, Jingle in July raises funds and awareness in the fight against arthritis. Participants are provided with jingle bells and encouraged to dress in holiday attire – yes, even in July! – as they raise funds in support of the 50 million Americans and 400,000 Kansas Citizens living with arthritis.

## Event Overview

Few running events are quite like this one, as it's the *only* summertime run in Kansas City to take place entirely **indoors**. This exciting corporate cave complex – also home of the Jingle Bell Run – is a boon to sponsors, as post-events survey show that nearly 75 percent of all Jingle Bell Run participants believe the visibility of event sponsors is "very good" or "good." The event is a boon to participants, too, as it's completely climate-controlled and has year-round temperatures of 68 degrees – regardless of how hot it is outside.

Event details ...

- ★ Date: Sunday, July 14, 2013
- ★ Location: Meritex Enterprises underground business complex, 17501 W. 98<sup>th</sup> St., Lenexa, KS
