WALK
to **CURE**
ARTHRITISSM

Dr. Bill Johnson, D.V.M
2014 Walk to Cure Arthritis
Medical Honoree
Peoria, IL

Dr. Johnson is the owner and operator of Hometown Veterinary Clinic. He is native to the Metamora area, and graduated from the University of Illinois with a Bachelor's Degree in Animal Science in 1998. His studies then extended to Ross University School of Veterinary Medicine in the West Indies, where he lived and studied before returning to the United States in 2002. Upon his return, he concluded a Doctorate of Veterinary Medicine at the University of Missouri College of Veterinary Medicine in 2003.

In the fall of 2012, after several years of working in private practice, Hometown Veterinary Clinic was born, and exclusively serves the House Call needs of the community. Dr. Johnson said, "It is our focus to assist the veterinary needs of clients and patients, who rely upon each other, with quality, compassion and the convenience of being at home."

Dr. Johnson's commitment to our four legged friends, who can also suffer from arthritis, make us proud to recognize him as the 2014 Walk to Cure Arthritis Medical Honoree.

About the Arthritis Foundation

The Arthritis Foundation (www.arthritis.org) is committed to raising awareness and reducing the unacceptable impact of arthritis, which strikes one in every five adults and 300,000 children, and is the nation's leading cause of disability. To conquer this painful, debilitating disease, we support education, research, advocacy and other vital programs and services.
