How the Illinois Department of Insurance Can Help You

Are you having trouble with your health coverage? The Department of Insurance protects consumers by oversight of the insurance industry. For example, extreme delays in response to a prior authorization request or surprise billing from your insurer.

Why is it important to contact the Department? The Department learns about insurance problems because of consumer complaints. If you have any questions about actions by your insurance company, the Department can be a resource for you!

MEET THE INSURANCE DIRECTOR

Kevin Fry has been appointed as Acting Director of the Illinois Department of Insurance (IDOI) by Governor JB Pritzker. Fry has been with the IDOI for over 20 years.

WHY SHOULD YOU CONTACT THE DEPARTMENT OF INSURANCE?

- ▼ You've already talked with your insurance company and aren't satisfied with the results.
 - Remember when you talk with your insurance company, document your phone calls by noting the name of the person you speak to, the date of the call and a brief summary of the conversation.
- ▼ The Department of Insurance wants to hear from you, the consumer. They can be extremely helpful if you are having trouble filing an appeal with your insurance company or experiencing a prior authorization that is taking too long.
 - You can file a complaint online <https://mc.insurance.illinois.gov/messagecenter.nsf>
 - You can also contact the Department:
 - By email at consumer_complaints@ins.state.il.us
 - By fax to (217) 558-2083
 - By mail to 320 W. Washington Street, Springfield, IL 62767
 - Keep your originals and send only copies of information. For a printed copy of the Department's complaint form, contact (877) 527-9431.
- ▼ By receiving consumer complaints, the Department will investigate and make sure that insurance companies are obeying state insurance laws*. If they don't receive written consumer complaints, they are not able to act.

WHAT HAPPENS WHEN YOUR COMPLAINT IS RECEIVED?

- ▼ When your complaint is received, a file number will be assigned, and you will be sent written notification of that number. Please refer to the complaint file number when you call or write to the Department.
- ▼ The complaint is then sent to the insurance company. Illinois law allows 21 days for an insurer to respond to a complaint. The Department will then review their response, which can take four to six weeks.
- ▼ The Department will then send correspondence to you about their findings.
