We hope that you will join the Arthritis Foundation as we host the 2022 JA Fall Fun Day!

You're invited to a fun-filled morning at the pumpkin patch! The Arthritis Foundation staff will be onsite to tell you all about the current happenings in the Kansas market. But really, the day is all about you, your kids, and your families. There will be small pumpkins for each child to decorate, we will have cider and donuts for you to snack on and mixing and mingling will be aplenty! Once the program is over at noon, feel free to stay and play at the pumpkin patch as long as you'd like with your families.

This program is free for all to attend. Pre-registration is mandatory. Call or email Brooke Hilst at BHilst@arthritis.org or 816-601-1382
