

Anjali Patwardhan, MD
2013 Jingle Bell Run/Walk
Medical Honoree
Columbia, MO

Dr. Patwardhan is Assistant Professor of Pediatric Rheumatology and Clinical Child Health at the University of Missouri. She completed her master's in business administration from the University of Wales UK; her master's in quality improvement in health care from Birmingham University UK; a diploma in post graduate medical education at the University of Wolverhampton, UK, and her diploma in pediatric nutrition from Southampton University, UK.

Dr. Patwardhan trained in pediatrics and pediatric hepatology in the United Kingdom, and worked in the National Health Service. She trained as a pediatric rheumatologist at nationwide Children's Hospital in Columbus, Ohio. Dr. Patwardhan has authored a book, written a book chapter, and has been the author of many publications in peer reviewed journals.

She is a member of the American Academy of Pediatrics, the American College of Rheumatology and other learned societies. In addition, Dr. Patwardhan has completed a QI fellowship from the Institute of Health Improvement (IHI) at Harvard University.

The Arthritis Foundation is proud to have Dr. Anjali Patwardhan as the 2013 Jingle Bell Run/Walk Medical Honoree.

About the Arthritis Foundation

Striking one in every five adults and 300,000 children, arthritis is the nation's leading cause of disability. The Arthritis Foundation (www.arthritis.org) is committed to raising awareness and reducing the unacceptable impact of this serious and painful disease, which can severely damage joints and rob people of living life to its fullest. The Foundation funds life-changing research that has restored mobility in patients for more than six decades; fights for health care policies that improve the lives of the millions who live with arthritis; and partners with families to provide empowering programs and information.
