

Jingle Bell Run Sponsorship Opportunities

What is the Jingle Bell Run?

The Jingle Bell Run/Walk is the Arthritis Foundation's nationwide holiday run/walk event to raise funds and awareness in the fight against arthritis. Participants are provided with jingle bell necklaces and dress in festive, holiday attire. The 2013 Jingle Bell Run was the biggest in Kansas City history – both in terms of total participants and dollars raised – and the 2014 event promises to be even bigger. A holiday tradition since 1989, the Jingle Bell Run is a joyous holiday rite for families, individuals, companies and community teams.

Event Overview

Few runs in the country are quite like this one, as the Jingle Bell Run/Walk takes place entirely *underground*. Nearly 2,000 people avoid the frigid December conditions and enjoy 68-degree temperatures in this unique, man-made, corporate cave complex. The event is a boon to sponsors, too, as the sponsorship area is located in the primary hub of activity. Post-event surveys show that nearly *75 percent* of attendees believe visibility and availability of event sponsors is "very good" or "good."
