FOUNDATION

## University Mall Carbondale

### Partnership Opportunities

#### **Why Partner with the Arthritis Walk?**

- *It is estimated that 50 million Americans suffer from arthritis and/or chronic joint symptoms.*
- *2.3 million people in Illinois have arthritis – that is 18% of our state's population.*
- *Arthritis is the most common cause of disability among people aged 15 years and older.*
- *Arthritis costs to the U.S. economy totals more than \$128 billion annually.*
- *300,000 children in America have some form of arthritis or rheumatic disease.*
- *The mission of the Arthritis Foundation – to improve lives through leadership in the **prevention, control and cure** of arthritis and related diseases – is carried out through programs, services and research efforts that directly impact people with arthritis in this area.*
