Dr. Vosburgh has professional interest in total joint replacement, Oxford partial knee replacement, arthroscopic surgery, shoulder surgery and sports medicine.

Dr. Vosburgh is married with three children. He played rugby in college and maintains a keen interest in many different sports. His oldest daughter rides English for the Oklahoma State University Equestrian team. In 2012, Dr. Vosburgh served as the Honorary Medical Chair for the Art for Arthritis Walk Kick-Off. We are proud to honor him as the 2013 Arthritis Walk Medical Honoree.

About the Arthritis Foundation

The Arthritis Foundation (www.arthritis.org) is committed to raising awareness and reducing the unacceptable impact of arthritis, which strikes one in every five adults and 300,000 children, and is the nation's leading cause of disability. To conquer this painful, debilitating disease, we support education, research, advocacy and other vital programs and services.
