Benedict F. Figuerres, MD
Tallgrass Orthopedic & Sports Medicine
Arthritis Walk Medical Honoree
Topeka, KS

Dr. Figuerres received his undergraduate degree in Biomedical Engineering from Northwestern University. He completed his medical degree at Southern Illinois University School of Medicine. Dr. Figuerres' residency was at the University of Illinois at Chicago; and his fellowship at Sports Medicine and Arthroscopic Surgery at the University of Chicago.

His professional affiliations include American Orthopaedic Society of Sports Medicine, Arthroscopy Association of North American and American Academy of Orthopedic Surgeons. Dr. Figuerres' professional interests include sports medicine, arthroscopic surgery of the hip, knee and shoulder; as well as fracture care. Listen to him discuss hip arthroscopy, related symptoms and the details of surgical procedures here:
<http://www.tallgrassorthopedics.com/hip-arthroscopy>.

Dr. Figuerres is married with one child. He enjoys spending time with his family, following Northwestern University athletics, cycling, running and competing in triathlons. We are proud to honor him as the 2013 Arthritis Walk Medical Honoree.

About the Arthritis Foundation

The Arthritis Foundation (www.arthritis.org) is committed to raising awareness and reducing the unacceptable impact of arthritis, which strikes one in every five adults and 300,000 children, and is the nation's leading cause of disability. To conquer this painful, debilitating disease, we support education, research, advocacy and other vital programs and services.
