

Deb Cartwright
2014 Walk to Cure Arthritis
Corporate Honoree
Topeka, KS

Deb Cartwright is the Chief Financial Officer for St. Francis Health, one of nine hospitals operated by the SCL Health System. Throughout Deb's 16-year career in leadership roles with similar integrated health systems, she continues exhibiting a distinctive blend of business acumen.

She holds a Master in Business and Healthcare Administration from Southwest Baptist University and is a graduate of Missouri State University, summa cum laude, with a Bachelor of Science in Accounting. She is a certified public accountant and fellow in the Healthcare Financial Management Association and the American College of Healthcare Executives.

Deb resides in Topeka with her husband and children. Deb is a runner. Although a wife, mother and business executive, she still finds time to run, seizing any opportunity to slip on her favorite running shoes. She believes achieving the best possible quality of life through regular physical activity is important and that any time is ideal for running... even in inclement Kansas weather.

The Arthritis Foundation appreciates Deb's commitment, and we are proud to recognize her as the 2014 Walk to Cure Arthritis Corporate Honoree.
